Good morning Louise,

I have followed this up with NPWS, yourself and Graeme have been Cc'd into the email chain.

You will see this is now the fourth email SES have issued in this regard.

Thanks
Arlene

Brona,

I don't have any record of a response, but I can follow up - let me know.

Thanks,

Malachy

Malachy

I am just following up on the request for representations from NPWS on applications ref: LA10/2019/1386/F & LA11/2019/1000/F. Did you receive a response?

Kind Regards

Brona Sheppard

Good evening

I am following up as a response to the request for NPWS representations on two planning applications has not been received. I will be retiring shortly so please issue the response to Malachy Kearney.

Kind regards

Susanna Allen

Subject: Consultation on

Dear Joanne or Colleague

Please find a request for NPWS representations on two planning applications relating to a 33kV power line between Curraghinalt, Greencastle and Ballymagorry, Strabane. They related to construction of c26.9 km above ground 33kV overhead line supported by wooden poles and c11 km underground 33kV cable laid below ground level in ducts, to serve Curraghinalt mine (currently under consideration planning application LA10/2017/1249/F). As the powerline spans two council area it is subject to two separate planning applications. The supporting documents are the same for both projects and the attached Habitats Regulations Assessments cover the full project, only the cover letter differs each case. Please review and respond using the word document for each case.

Kind regards

Susanna
